#### Services Provided

The Villages at Johnstown Metropolitan District No. 3 (District), a quasi-municipal corporation and a political subdivision of the State of Colorado, was organized concurrently with Villages of Johnstown District Nos. 1-2 and 4-8 (collectively, the Districts) by order and decree of the District Court for Larimer County on May 30, 2018, and is governed pursuant to provisions of the Colorado Special District Act (Title 32, Article 1, Colorado Revised Statutes). The District's service area is located entirely within Johnstown, Larimer County, Colorado.

Pursuant to the Consolidated Service Plan, District No. 1 will serve as the service district and will be responsible for managing the construction and operation of the facilities and improvements for the Districts. Districts Nos. 2-8 will serve as the financing districts and are responsible for providing the funding and tax base needed to support the capital improvements.

During the election held on May 8, 2018, a majority of the District's electors authorized general obligation indebtedness of \$1,190,000,000, for the above listed facilities, intergovernmental agreements and debt refunding. Additionally, on May 8, 2018, the Districts' voters authorized the District to collect, retain and spend all revenues in excess of TABOR spending, revenue raising or other limitations.

The Consolidated Service Plan limits the aggregate amount of debt that may be issued by the Districts to \$72,500,000.

The District has no employees and all administrative functions are contracted.

The District prepares its budget on the modified accrual basis of accounting in accordance with the requirements of Colorado Revised Statutes C.R.S. 29-1-105 using its best estimates as of the date of the budget hearing. These estimates are based on expected conditions and its expected course of actions. The assumptions disclosed herein are those that the District believes are significant to the budget. There will usually be differences between the budget and actual results, because events and circumstances frequently do not occur as expected, and those differences may be material.

#### Revenues

#### **Property Taxes**

Property taxes are levied by the District's Board of Directors. The levy is based on assessed valuations determined by the County Assessor generally as of January 1 of each year. The levy is normally set by December 15 by certification to the County Commissioners to put the tax lien on the individual properties as of January 1 of the following year. The County Treasurer collects the determined taxes during the ensuing calendar year. The taxes are payable by April or, if in equal installments, at the taxpayer's election, in February and June. Delinquent taxpayers are notified in August and, generally, sale of the tax liens on delinquent properties are held in November or December. The County Treasurer remits the taxes collected monthly to the District.

The calculation of the taxes levied is displayed on the property tax summary information page of the budget.

#### Revenues (continued)

#### **Specific Ownership Taxes**

Specific ownership taxes are set by the State and collected by the County Treasurer, primarily on vehicle licensing within the County as a whole. The specific ownership taxes are allocated by the County Treasurer to all taxing entities within the County. The budget assumes that the District's share will be equal to approximately 7% of the property taxes collected.

#### Interest Income

Interest earned on the District's available funds has been estimated based on an average interest rate of approximately 0.10%.

#### **Expenditures**

#### **County Treasurer's Fees**

County Treasurer's fees have been computed at 2.0% of property tax collections.

#### **Debt Service**

Principal and interest payments in 2022 are provided based on the debt amortization schedule from the Series 2020A Bonds (discussed under Debts and Leases). There is no debt amortization schedule provided for the Series 2020B Subordinate Bonds as the Bond is a cash flow bond and the timing of the payments are unknown.

#### **Capital Outlay**

The District anticipates capital outlay as outlined in the Capital Project Fund.

#### Transfers to Villages at Johnstown Metropolitan District No. 1

Pursuant to the District Coordinating Services Agreement, Villages at Johnston Metropolitan District No. 1 will provide certain operation, maintenance and administrative services benefitting the Districts. The Districts will pay all costs of such services through the imposition of ad valorem property taxes and transferring the net tax revenues to Villages at Johnston Metropolitan District No. 1.

Pursuant to the Infrastructure Acquisition and Reimbursement Agreement, and the Addendum to that agreement, between the District, Villages at Johnstown Metropolitan District No. 1, and J-25 Land Holdings, LLC ("the Developer"), Villages at Johnstown Metropolitan District No. 1 will acquire public infrastructure constructed or caused to be constructed by the Developer, and the District will be responsible for reimbursing the Developer. These funds will be transferred to Villages at Johnstown Metropolitan District No. 1 and reimbursed to the Developer from District No. 1 in accordance with this Agreement and Addendum.

#### **Debt and Leases**

#### Series 2020 Bonds

The District issued Limited Tax (Convertible to Unlimited Tax) General Obligation Bonds, Series 2020A on December 22, 2020, in the par amount of \$4,810,000 (the Senior Bonds). The District also issued Subordinate Limited Tax General Obligation Bonds, Series 2020B on December 22, 2020, in the par amount of \$843,000 (the Subordinate Bonds). Proceeds from the sale of the Senior Bonds were/will be used to (i) finance or reimburse the costs of public improvements related to a residential development in the Town; (ii) pay capitalized interest on the Senior Bonds; (iii) fund the Reserve Fund to the Reserve Requirement; and (iv) pay other costs in connection with the issuance of the Bonds. Proceeds of the Subordinate Bonds will be used to finance or reimburse the costs of public improvements related to the development.

#### Senior Bonds Details

The Senior Bonds bear interest at the rate of 5.000%, payable semi-annually on June 1 and December 1 (each an "Interest Payment Date"), beginning on June 1, 2021. The Senior Bonds were issued as a term bond that has annual mandatory sinking fund principal payments due annually on December 1, beginning on December 1, 2025. The Senior Bonds mature on December 1, 2050. To the extent principal of any Senior Bond is not paid when due, such principal shall remain outstanding until paid, subject to discharge of the Senior Bonds on December 1, 2059 (the "Senior Bonds Discharge Date"). To the extent interest on any Senior Bond is not paid when due, such interest shall compound semiannually on each Interest Payment Date, at the rate then borne by the Senior Bond. In the event any amounts due on the Senior Bonds remain unpaid after the application of all Senior Pledged Revenue available on the Senior Bonds Discharge Date, such amounts shall be deemed discharged and shall no longer be due and outstanding.

#### Senior Pledged Revenue

The Senior Bonds are secured by and payable from the Senior Pledged Revenue, which means the moneys derived by the District from the following sources, net of any costs of collection and any property tax refunds or abatements authorized by or on behalf of the County: (a) the Senior Required Mill Levy; (b) the portion of the Specific Ownership Tax which is collected as a result of imposition of the Senior Required Mill Levy; and (c) any other legally available moneys which the District determines, in its absolute discretion, to transfer to the Trustee for application as Senior Pledged Revenue.

#### Subordinate Bonds Details

The Subordinate Bonds bear interest at the rate of 7.500% per annum and are payable annually on December 15, beginning December 15, 2021 from, and to the extent of, Subordinate Pledged Revenue available, if any, and mature on December 15, 2050. The Subordinate Bonds are structured as cash flow bonds meaning that there are no scheduled payments of principal or interest prior to the final maturity date. Unpaid interest on the Subordinate Bonds compounds annually on each December 15. Principal on the Subordinate Bonds is to be paid on the Mandatory Redemption Date (each December 15) only to the extent Subordinate Pledged Revenue is available therefor.

All of the Subordinate Bonds and interest thereon are to be deemed to be discharged after the application of all available Subordinate Pledged Revenue on December 15, 2059 (the "Subordinate Bonds Discharge Date"), regardless of the amount of principal and interest paid prior to the Subordinate Bonds Discharge Date.

#### **Debt and Leases (continued)**

#### Subordinate Pledged Revenue

The Subordinate Bonds are secured by and payable solely from and to the extent of Subordinate Pledged Revenue, net of any costs of collection and any property tax refunds or abatements authorized by or on behalf of the County, which includes: (a) the Subordinate Required Mill Levy; (b) the portion of the Specific Ownership Tax resulting from the Subordinate Required Mill Levy; (c) the Subordinate Capital Fee Revenue; (d) any other legally available moneys which the District determines, in its absolute discretion, to transfer to the Trustee for application as Subordinate Pledged Revenue

#### **Optional Redemption**

The Bonds are subject to redemption prior to maturity, at the option of the District, as a whole or in integral multiples of \$1,000, in any order of maturity, and in whole or partial maturities (and if in part in such order of maturities as the District shall determine and by lot within maturities), on December 1, 2025, and on any date thereafter, upon payment of par, accrued interest, and a redemption premium equal to a percentage of the principal amount so redeemed, as follows:

Date of Redemption	Redemption Premium
December 1, 2025, to November 30, 2026	3.00%
December 1, 2026, to November 30, 2027	2.00
December 1, 2027, to November 30, 2028	1.00
December 1, 2028, and thereafter	0.00

#### Senior Required Mill Levy

Pursuant to the Senior Indenture, the District has covenanted to impose a Senior Required Mill Levy upon all taxable property of the District each year in an amount necessary to generate Senior Property Tax Revenues sufficient to pay the Senior Bonds when due and to replenish the Reserve Fund to the Reserve Requirement, but not in excess of 40 mills (subject to adjustment for changes in the method of calculating assessed valuation after January 1, 2018). For so long as the amount on deposit in the Surplus Fund is less than the Maximum Surplus Amount, the Senior Required Mill Levy is to be equal to 40 mills (subject to adjustment), or such lesser amount that will generate Senior Property Tax Revenues (A) sufficient to pay the Senior Bonds when due, to replenish the Reserve Fund to the Reserve Requirement, and to fully fund the Surplus Fund to the Maximum Surplus Amount, or (B) which, when combined with moneys then on deposit in the Senior Bond Fund, the Surplus Fund and the Reserve Fund, will pay the Senior Bonds in full in the year such levy is collected.

#### Subordinate Required Mill Levy

Pursuant to the Subordinate Indenture, the District has covenanted to impose a Subordinate Required Mill Levy upon all taxable property in the District each year in an amount equal to (i) 40 mills (subject to adjustment for changes in the method of calculating assessed valuation after January 1, 2018) less the Senior Obligation Mill levy, or (ii) such lesser amount that will generate Subordinate Property Tax Revenues which, when combined with moneys then on deposit in the Subordinate Bond Fund, will pay the Subordinate Bonds in full in the year such levy is collected. Senior Obligation Mill Levy means the sum of the Senior Required Mill Levy and any other ad valorem property tax levy required to be imposed by the District for the payment of Senior Obligations.

The District has no operating or capital leases.

#### Reserves

#### **Emergency Reserve**

The District has not provided for an Emergency Reserve fund equal to at least 3% of fiscal year spending for 2022, as defined under TABOR, because net tax revenue is transferred to District No. 1, the service district, which provides for the required reserve amount.

#### **Debt Service Reserve**

The District is required to maintain a debt service reserve of \$378,250 under the terms of the Bonds. This reserve was initially established from the proceeds of the Senior Bonds.

#### **Debt Service Reserve (Surplus Fund)**

The District is required to maintain a Surplus Fund from funds that exceed the current year debt service requirements as outlined in the terms of the Bonds. The Surplus Fund is not to exceed \$481,000 and shall be drawn in the event Pledged Revenues are insufficient to cover current year debt service requirements.

This information is an integral part of the accompanying budget.
