**VILLAGES AT JOHNSTOWN METROPOLITAN DISTRICT NO. 5  
2022 BUDGET  
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

**Services Provided**

The Villages at Johnstown Metropolitan District No. 5 (District), a quasi-municipal corporation and a political subdivision of the State of Colorado, was organized concurrently with Villages of Johnstown District Nos. 1-4 and 6-8 (collectively, the Districts) by order and decree of the District Court for Larimer County on May 30, 2018, and is governed pursuant to provisions of the Colorado Special District Act (Title 32, Article 1, Colorado Revised Statutes). The District's service area is located entirely within Johnstown, Larimer County, Colorado.

Pursuant to the Consolidated Service Plan, District No. 1 will serve as the service district and will be responsible for managing the construction and operation of the facilities and improvements for the Districts. Districts Nos. 2-8 will serve as the financing districts and are responsible for providing the funding and tax base needed to support the capital improvements.

During the election held on May 8, 2018, a majority of the District's electors authorized general obligation indebtedness of \$1,190,000,000, for the above listed facilities, intergovernmental agreements and debt refunding. Additionally, on May 8, 2018, the Districts' voters authorized the District to collect, retain and spend all revenues in excess of TABOR spending, revenue raising or other limitations.

The Consolidated Service Plan limits the aggregate amount of debt that may be issued by the Districts to \$72,500,000.

The District has no employees and all administrative functions are contracted.

The District prepares its budget on the modified accrual basis of accounting in accordance with the requirements of Colorado Revised Statutes C.R.S. 29-1-105 using its best estimates as of the date of the budget hearing. These estimates are based on expected conditions and its expected course of actions. The assumptions disclosed herein are those that the District believes are significant to the budget. There will usually be differences between the budget and actual results, because events and circumstances frequently do not occur as expected, and those differences may be material.

**Revenues and Expenditures**

The District does not anticipate any financial activity in 2022.

**Debt and Leases**

The District has no outstanding debt, nor operating or capital leases.

**Reserves**

The District has not provided for an Emergency Reserve fund equal to at least 3% of fiscal year spending for 2022, as defined under TABOR, because net tax revenue is transferred to District No. 1, the service district, which provides for the required reserve amount.
