NOW, THEREFORE, BE IT RESOLVED BY THE BOARD AS FOLLOWS:

Section 1. Adoption of Budget. The budget attached hereto and incorporated herein is approved and adopted as the budget of the District for fiscal year 2024. 2024 BUDGET
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

Services Provided

The Villages at Johnstown Metropolitan District No. 4 (District), a quasi-municipal corporation and a political subdivision of the State of Colorado, was organized concurrently with Villages of Johnstown District Nos. 1-3 and 5-8 (collectively, the Districts) by order and decree of the District Court for Larimer County on May 30, 2018, and is governed pursuant to provisions of the Colorado Special District Act (Title 32, Article 1, Colorado Revised Statutes). The District's service area is located entirely within Johnstown, Larimer County, Colorado.

Pursuant to the Consolidated Service Plan, District No. 1 will serve as the service district and will be responsible for managing the construction and operation of the facilities and improvements for the Districts. Districts Nos. 2-8 will serve as the financing districts and are responsible for providing the funding and tax base needed to support the capital improvements.

During the election held on May 8, 2018, a majority of the District's electors authorized general obligation indebtedness of \$1,190,000,000, for the above listed facilities, intergovernmental agreements and debt refunding. Additionally, on May 8, 2018, the Districts' voters authorized the District to collect, retain and spend all revenues in excess of TABOR spending, revenue raising or other limitations.

The Consolidated Service Plan limits the aggregate amount of debt that may be issued by the Districts to \$72,500,000.

The District has no employees and all administrative functions are contracted.

The District prepares its budget on the modified accrual basis of accounting in accordance with the requirements of Colorado Revised Statutes C.R.S. 29-1-105 using its best estimates as of the date of the budget hearing. These estimates are based on expected conditions and its expected course of actions. The assumptions disclosed herein are those that the District believes are significant to the budget. There will usually be differences between the budget and actual results, because events and circumstances frequently do not occur as expected, and those differences may be material.

Revenues

Property Taxes

Property taxes are levied by the District's Board of Directors. The levy is based on assessed valuations determined by the County Assessor generally as of January 1 of each year. The levy is normally set by December 15 by certification to the County Commissioners to put the tax lien on the individual properties as of January 1 of the following year. The County Treasurer collects the determined taxes during the ensuing calendar year. The taxes are payable by April or, if in equal installments, at the taxpayer's election, in February and June. Delinquent taxpayers are notified in August and, generally, sale of the tax liens on delinquent properties are held in November or December. The County Treasurer remits the taxes collected monthly to the District.

The calculation of the taxes levied is displayed on the property tax summary information page of the budget.

SUMMARY OF SIGNIFICANT ASSUMPTIONS**

Revenues (Continued)

Property Taxes (Continued)

For property tax collection year 2024, SB22-238 and SB23B-001 set the assessment rates and actual value reductions as follows:

Category	Rate		Category	Rate	Actual Value Reduction	Amount
Single-Family Residential	6.70%		Agricultural Land	26.40%	Single-Family Residential	\$55,000
Multi-Family Residential	6.70%		Renewable Energy Land	26.40%	Multi-Family Residential	\$55,000
Commercial	27.90%		Vacant Land	27.90%	Commercial	\$30,000
Industrial	27.90%		Personal Property	27.90%	Industrial	\$30,000
Lodging	27.90%		State Assessed	27.90%	Lodging	\$30,000
			Oil & Gas Production	87.50%		

Specific Ownership Taxes

Specific ownership taxes are set by the State and collected by the County Treasurer, primarily on vehicle licensing within the County as a whole. The specific ownership taxes are allocated by the County Treasurer to all taxing entities within the County. The budget assumes that the District's share will be equal to approximately 7% of the property taxes collected.

Expenditures

County Treasurer's Fees

County Treasurer's fees have been computed at 2.0% of property tax collections.

Transfers to Villages at Johnstown Metropolitan District No. 1

Pursuant to the District Coordinating Services Agreement, Villages at Johnston Metropolitan District No. 1 will provide certain operation, maintenance and administrative services benefitting the Districts. The Districts will pay all costs of such services through the imposition of ad valorem property taxes and transferring the net tax revenues to Villages at Johnston Metropolitan District No. 1.

Debt and Leases

The District has no outstanding debt, nor operating or capital leases.

Reserves

The District has not provided for an Emergency Reserve fund equal to at least 3% of fiscal year spending for 2024, as defined under TABOR, because net tax revenue is transferred to District No. 1, the service district, which provides for the required reserve amount.

This information is an integral part of the accompanying budget.
